- » Unique 1920's Build-In Desk and Cabinets

1925 Classic! Charming Craftsman bungalow with portico and garage/workshop. Many original details: built in cabinets with glass fronts, informal dining area off the kitchen, rounded corner accents, built-in desk in the living room. Hardwood floors in the entry, living room and dining room. New, dual pane windows throughout, new sliding doors at back bedroom, laundry room, original glass pane door on the side entrance, and lovely landscaping!
